MONDAYS

Winter Animals and their Cozy Homes

with Ms. Stackhouse

2:30-4:00pm

Grades 1-4

Room 215

Snowy animals and their comfy winter homes will inspire our imaginations in this all new class taught by long time Daniel Bagley teacher Ms. Stackhouse. Using a variety of craft techniques, each student will create an intricate winter landscape diorama filled with secret, cozy homes and the animals that live within them. Fluffy Arctic Foxes, soft Snowshoe Hares, tiny Wood Mice, wooly Reindeer and fleecy white Polar Bears will be some of the possible inhabitants! Recreate some of nature's most beautiful scenery and hardiest animals while growing your creative skills and having fun! All materials and a light snack will be provided. Class size is limited to 16.

6 week session \$240

Comic Books

by Pacifica Writers

2:30-4:00pm

Grades 1-5

Flex Space

Do you have a young artist or perhaps a superhero in the household? In our comic book class, students will learn the basics of comic writing. They will then create their very own comic books.

6 week session for \$135

Registration link: <https://pacificawritersworkshop.com/class-registration/>

Daniel Bagley Glee Club

by Ms. MK

2:30-4:00pm

Grades 3-5

Music Room

This 6-week class will teach healthy singing techniques through popular music, musical theater, and traditional rounds. We'll focus on the process of healthy singing and music preparation, rather than performance. More details included in the registration link.

6 week session for \$240

Registration link: <https://calendly.com/mkmusicseattle/daniel-bagley-glee-club>

TUESDAYS

Sew Your Own Stuffies

with Ms. McNeer

2:25-4:00pm

Grades 2-5

Art Room

Join Ms. McNeer to sew simple stuffies of your own using colorful felt and thread. All levels of sewing experience are welcome. Bring your creative juices and your patience to use needle and thread (and sometimes glue) while sharing ideas and making friends.

* Students who were enrolled in this class in Winter Session 1 may repeat the class.

6 week session \$240, limit 12 students

Registration link: <https://exploringartandsel.com>

Lifelong Movers

with Ms. Richards & Mr. W

2:30-4:00pm

Grades K-5

Gym

Join Ms. Richards and Mr. W for an afternoon full of fun and fitness. Our goal is to spark an interest in physical activity and health that will last a lifetime. We will be covering a series of health, fitness, and movement skill concepts. We will be working on all the skills associated with pickleball, floor hockey, and basketball. Also, we will be using pedometers and heart monitors during fitness infused games. If you enjoy physical education, then you will love this afterschool enrichment program. So come on down to the gym and be ready to move.

6 week session \$240

Scratch: Game Development

by Coding with Kids

2:30-4:00pm

Grades 3-5

Library

Unleash your creativity with Scratch, a fun drag-and-drop coding tool. Learn coding basics like loops and variables if you're new, or explore advanced concepts like functions and game physics if you're returning. Build exciting games, animations, and story projects, like the Greedy Birds!

6 week session \$225

WEDNESDAYS

Inside the Secret Chambers of the Pharaohs

with Ms. Stackhouse

1:15-2:45 pm

Grades 2-5

Room 215

Join Ms. Stackhouse in this all new class as we go within the secret inner chambers of the Tombs of the Pharaohs of Ancient Egypt to unearth and discover some of the great mysteries found there. As we reveal these treasures hidden within, each student will create an intricate miniature diorama of a Pharaoh's Secret Chamber and create the riches to fill it, such as a sarcophagus, canopic jars, walls covered in hieroglyphs, a cartouche, furniture, food items, jewelry and more. Come unlock the incredible secrets of Ancient Egypt while growing your creative skills and having fun! All materials and snacks will be provided. Class size is limited to 18.

6 week session \$240

Skit Lab

by Illumination Learning Studio

1:15-2:45 pm

Grades K-5

Room 135

This engaging 6-week class will guide students through the thoughtful process of creating their own skits- from conceptualizing ideas to performing in front of their peers. Students will collaborate, explore their individual and group creativity, and build confidence while learning the basics of acting, story development, and teamwork.

6 week session \$168

Chess Wizards

by Chess Wizards

1:15-2:45 pm

Grades K-5

Flex Space

Say yes to chess! Join Chess Wizards for an interactive, scholastic program where kids will collaborate, gain confidence, improve chess skills, meet new friends, and work out their most powerful muscles – their brains! Appropriate for beginner to intermediate chess players, our program includes instruction in tactics and strategy, as well as individual gameplay. Maximum 14 students.

6 week session \$228

THURSDAYS

Yoga and Zen doodling with Ms. Messom with Ms. Messom

2:30-4:00pm
Grades 1-5
Library

Join certified yoga instructor, Ms. Messom, for this joyful yoga and Zen doodling class. During each session we will hear yoga stories, learn new poses, and play yoga games. Then we will settle in and relax with the mindful activity of Zen Doodling, where we will draw, doodle, and create unique art to take home. Give yourself the opportunity to relax and recharge after a long day through yoga and Zen doodling! No experience is needed. **Please bring a yoga mat if possible.** All other materials will be provided. **Class size is limited to 10**

6 week session \$240

Registration link:

Afterschool Cooking Class by Rainy Day Dinner Club

2:30-4:00pm
Grades 2-5
Room 215

Kids bring home dinner every week! Each week, students learn basic cooking skills while making dinner for their family! Students will create delicious dishes while focusing on the importance of local ingredients, scratch cooking, and natural preservatives while practicing knife skills and kitchen safety. Each entrée will serve 4 to 6 and will be packaged in oven-ready cookware with baking instructions. 12 students max.

Please note that we offer vegetarian options upon request during registration. All our meals are nut free but for all other allergies or dietary restrictions please contact us directly via email.

6 week session \$279

Registration link: <https://www.rainydaydinnerclub.com/classes-at-local-schools.html>

FRIDAYS

Little Coders: Intro to Coding

by Coding with Kids

2:30-4:00pm

Grades K-2

Flex Space

Tailored for early readers, this course helps students boost their computational thinking while having fun with friends! Beginners learn coding basics like Loops and Conditions. Returning students tackle new challenges, such as debugging. All students build exciting games, stories, and animated characters

6 week session \$225

Registration link: <https://www.codingwithkids.com/session/71403>

Taiko Drumming / "Wakaba"

by Japan Creative Arts

2:30-4:00pm

Grades 1-5

Music Room

Our Taiko drumming program is designed to teach your child not only music skills but important life skills. Focus on respect, self discipline and perseverance. We will do the basics of Taiko drumming along with learning our original song each session and have a performance in front of parents at the last class. Kids enjoy Taiko drumming and parents love their performance. During the Taiko drumming session, kids also learn simple Japanese vocabulary.

6 week session \$240
